LIVESURGIGA DENTALIMPLANT ROGRAN

2025 JULY

WED-SAT 16-19

Farshad Athari, DDS & Farid Ebrahim, DDS

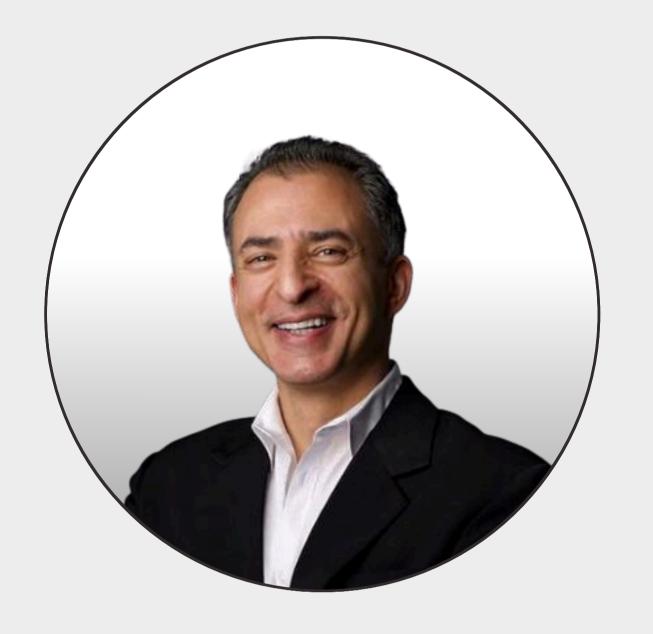

TIJUANA, B.C., MEXICO

With the extensive use of LIVE PATIENTS and hands-on learning, the focus of the program is to teach dentists the surgical and prosthetic components of implant dentistry. In addition to learning the basics of implant dentistry, doctors will also learn about treatment plans and how to apply these plans to different situations.

In order to better serve participants, we limit the course participation to 5 doctors and include all necessary materials and disposables.

ABOUT THE PRESENTERS:

Farshad Athari DDS

Dr. Farshad Athari graduated from Chicago's prestigious Northwestern University Dental School in 1999 with a Doctorate of Dental Surgery, one of the best recognized institutions in the world. With over 25 years of experience, he has trained numerous doctors across the U.S. in Implant Surgery, providing hands-on experience through live patient surgeries and delivering lectures on advanced implant techniques and case complications. (Las Vegas, NV)

Learning Objectives:

• Gain a thorough understanding of the principles and protocols of implant treatment. • **Develop** the ability to diagnose, plan, and execute implant cases with confidence. • Enhance surgical skills through hands-on surgical training with live patients.

• Learn to manage complications & ensure

long-term success of implant treatment.

• Stay updated with the latest advancements and technologies in implant dentistry.
